October 25, 2017

Wisconsin Family Child Care Association needs your help.

We are currently planning our 37th Annual Wisconsin Family Child Care Conference to be held May 10-12, 2018 at the Chula Vista Resort and Conference Center, 2501 River Road, Wisconsin Dells. We are seeking qualified professionals from the Early Childhood field or related allied fields to present workshop sessions at our conference. Please consider submitting a Presenter Proposal. As you are aware, the caliber and diverse content of the workshops are in great part what defines the quality of our conference. We hope to offer a wide variety of topics to both new and experienced providers and teachers.

Please fill out the enclosed presenter proposal and return it prior to November 23, 2017, so your presenter proposal can be among those considered for our 2018 conference. Please complete the description area as you would like it to appear in our conference booklet. If there is more than one presenter for your workshop, please list all names on the presenter proposal.

Workshop sessions will be 1 hour 15 minutes in length. Request for double sessions will be considered. **Presenters will be responsible for their own travel, lodging and AV needs.** There will be a hostess assigned to each workshop to help with your needs and those of participants.

**No selling of your product is allowed during your workshop. You may sign up for exhibit space if you would like to sell your product by contacting Becky Engebretson at (920) 497-7005 or [bengebretson@new.rr.com](mailto:bengebretson@new.rr.com)**

While children are welcome in the exhibit area of our conference, when accompanied by an adult, they are not allowed in the workshop breakout rooms with the exception of mothers with nursing infants.

WFCCA will offer reduced conference fees or exhibit space to accepted presenters at our annual conference as follows: workshop presenters (maximum of one per workshop) a reduced conference fee of \$50.00 per day(s) presenting or one regular priced exhibit table at a cost of \$35.00 per day presenting for Friday and/or Saturday

If you have any questions or need additional information, please do not hesitate to contact me at (920) 235-3102 or [kidsareusfamilychildcare@new.rr.com](mailto:kidsareusfamilychildcare@new.rr.com)

We hope you will take this opportunity to network and support family child care providers through your participation in our WFCCA annual conference.

Sincerely,

Tammy Dannhoff
