| 1:00pm-2:30pm | Designing and Creating Natural Play Environments:<br>Janell Moran |
| 2:30pm-4:30pm | Loose Parts Where Do I Start: Peggy Bliese                        |

### Nature Based Art

*Stephanie Winkel, Twinkling Stars Family Child Care, Tiered Trainer #47508*

Nature can be used to create beautiful process art as well as gorgeous pieces of artwork that the child can admire in the classroom. During this session, you will explore four different art projects/ process art activities that utilize items found in nature. Get ready to use your hands and creativity to explore projects you can use with your early childhood students!

### Designing and Creating Natural Play Environments

*Janell Moran, Honey Pie Nature Playschool, WFCCA Secretary, Tiered Trainer #27514*

Explore how to create more natural indoor and outdoor environments that will help you in supporting children's exploration and learning in natural play environments. We will explore designing and creating sensory rich, natural play spaces.

### Loose Parts: Where Do I Start

*Peggy Bliese, Kids Kountry Child Care, Region 6 WFCCA Representative*

Have you ever wondered about "Loose Parts" and how to introduce them into your child care classroom. During this hands-on session you will learn the do's and don'ts of Loose Parts. We will talk about set up, safety, and storage. Everyone attending this session will leave with a starter Loose Parts set.

***Mini Conference will be held at Childcaring, 850 HWY 153, Suite F, (Baymen Professional Bldg.) in Mosinee***
