Session 1 Strategies for Behavioral Difficulties and Delays with Positive Family and Referral Agency Partnerships

Presenter: Leah Zastoupil, President of WFCCA, Tier Trainer #4217

Find out what is expected with children's behavior changes throughout different age categories, and when to be looking for referral help and guidance. Discussion on positive partnerships with parents for open communication, as well as involvement in the birth to three referrals and the IEP process is all about once the kids are in the school system. Strategies for difficult behaviors will be discussed in order to have harmony in your classroom.

Session 2 Designing and Creating Natural Play Environments

Presenter: Janell Moran, Secretary of WFCCA, Registered Trainer #27514

Explore how to create a more natural indoor and outdoor environment that will help you in supporting children's exploration and learning in natural play environments. We will explore designing and creating sensory rich, natural play spaces.

Session 3 "But they're Only Playing" Interpreting play to parents

Presenters: Emily Hefko, VP of WFCCA, Registered Trainer #53264 & Jasmine Waldner, Region 1 Rep, Registered Trainer #45484

This workshop explores many ways to interpret play to their family members in culturally relevant ways. It is recommended for intermediate and advanced teachers working with children birth through age 8.
